

It is extremely important
to my (+ others) health that
any foods that are irradiated
be labeled as "irradiated" not
deceptive terms like cold or
electronic pasteurization.
Irradiation destroys vitamins
& changes sensory & spoilage
qualities in food. Do not
sell out the health of
American citizens to the
greed of the nuclear & food
processing industries. Use
some common sense & truth.

Docket # 98N-1038

WOODLAND PARK is located in the heart of
Kalispell, Montana. It has a magnificent lagoon
full of geese, ducks and swans. The gorgeous
rose garden offers a refuge for relaxing over
a picnic lunch.
